How to get there

## B&B Hotel Aachen City

Once you arrived, leave the train station building at the main entrance. You will reach a square with some fountains and see a big street with bus stops in front of you. Just cross the street and go to the bus station on the opposite side of the main station. Take one of the following bus lines: 14, 21, 51 or SB63. Now, you will drive about 10 minutes by bus until you arrive at Aachen Bushof. Step out here and make sure to cross the street. Now walk back from where your bus came from and turn right to walk down the street named „Kurhausstraße“. Follow the street until you reach a big junction. Now turn left and walk into the street called „Grosskölstraße“. Walk about 100 m and you will find the B&B Hotel on the right side.
